Content that's not within the scope of the accessibility regulations

PDFs and other documents

Some of our PDFs and Word documents are essential to providing our services. For example, we have PDFs with information on how users can access our services, and forms published as Word documents. We plan to either fix these or replace them with accessible HTML pages.

The accessibility regulations [do not require us to fix PDFs or other documents published before 23 September 2018](#) if they're not essential to providing our services.

Any new PDFs or Word documents we publish will meet accessibility standards.

Live video

We do not plan to add captions to live video streams because live video is [exempt from meeting the accessibility regulations](#).
